About this result • Feedback

[ChkLines](#) are designed to give you what you need to connect to the best sites in a given category, this one being Free Cloud Storage.

I am including the major free cloud storage services where you can store your files, videos, images, and more.

I have removed some okay sites that are used to share a few files only.

28. [solidfiles](#)

- Free Storage: 15GB
- App/Download Required: No

29. [sync](#)

- Free Storage: 5GB
- App/Download Required: No

30. [syncplicity](#)

- Free Storage: 10GB
- App/Download Required: Yes

31. [tresorit](#)

- Free Storage: 1GB
- App/Download Required: Yes

32. [VeriFyle](#)

- Free Storage: 5GB
- App/Download Required: No

33. [Yandex.Disk](#)

- Free Storage: 10GB
- App/Download Required: No

If like me, you own a Chromebook, look to the services that do not require an app/download.
