

ChkLines - Ping Submission Tools

Ping sites are online based tool that submit your given URL to several search engines, directories, communities, and content aggregators.

Ping submission sites can benefit your site as follows:

- ❑ Through ping submission sites, you can easily submit your blog or website and gain backlinks from numerous search engine and directories.
- ❑ Ping sites notify all search engines about new content and backlinks, and improve your SEO and SERP ranking.
- ❑ These sites are absolutely free and more convenient compared to other off-page SEO tactics such as link submission, bookmarking, and directory submission.
- ❑ Get high quality converting traffic to your website or blog, and the widest online exposure for your new business and website.
